# Breathtaking views

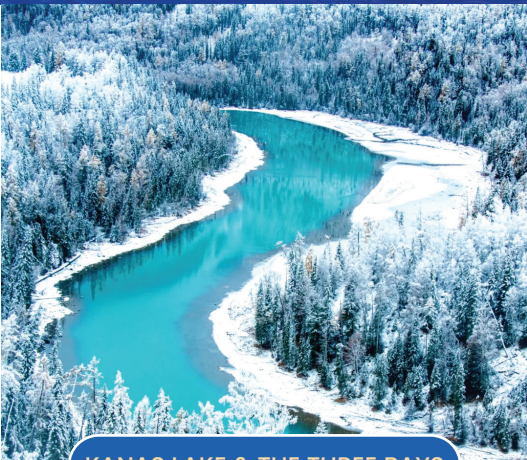

## Hemu Village

Hemu Village is hidden deep in the Altai Mountains and is one of Xinjiang's most famous winter snow villages.

In winter, thick snow covers the wooden houses and forests, while the Hemu River flows quietly through the valley.

In the early morning, soft mist and rising chimney smoke create a peaceful and pure snowy wonderland.

It is truly one of the most iconic and must-visit destinations in Xinjiang's winter travel journey.
