Journey Log #01 · Mount Siguniang

Four Peaks in One Frame Step into Shuangqiaogou

At Maobiliang Viewpoint, take in a panoramic view of Mount Siguniang from an elevation of about 3,300 metres, with layers of mountain peaks stretching out before you. Then continue into Mount Siguniang Scenic Area to explore Shuangqiaogou, where you can enjoy some of Western Sichuan's most iconic alpine landscapes. When weather conditions are clear, the snow-capped mountain views become even more spectacular.

Journey Log #03 • Yading

Twice Into Yading

From Pearl Lake to Luorong Pasture

First Entry

Chonggu Monastery • Pearl Lake
View Xiannairi from Afar

A special arrangement has been made for two separate visits to Yading Scenic Area, allowing the key attractions to be explored over two days instead of fitting everything into one day. On the first visit, you will visit Chonggu Monastery and Pearl Lake, with a distant view of the sacred Xiannairi Mountain.

Second Entry

Luorong Pasture
View Chanadorje & Yangmaiyong

On the second visit, continue to Luorong Pasture, with distant views of the sacred Chanadorje and Yangmaiyong Mountains. Over two days, experience Yading from different locations and perspectives, taking in its most representative landscapes at a more comfortable pace.

1st entry incl. park shuttle

2nd entry incl. park shuttle + battery car

Journey Log #04 · Yuzixi

Sunset Paradise Yuzixi

A specially arranged local vehicle transfer takes you to Yuzixi, where you can wait for the sunset over Mount Gongga in the distance. If the weather is favourable, you may watch the snow-capped peaks gradually change in colour under the evening light, making it one of the most memorable photography moments of this Western Sichuan journey.

Enjoy the snow mountain sunset from a distance

Local Shuttle Bus

The views of the snow mountains and sunset depend on the weather conditions. If the snow mountains are not visible, we will visit a nearby town with similar scenery instead.

Step into the Tibetan areas of Western Sichuan and experience more than just the scenery. This meal highlights Tibetan flavors, adding a stronger sense of local culture to the journey.

Tibetan Wild Mushroom Semi-Buffer Hotpot

Wild Mushroom Hotpot

A steaming hotpot is a must in the highlands. Wild mushrooms bring a fresh, earthy aroma to the broth, making it warming, layered in flavor, and full of the unique character of the Western Sichuan plateau.

Sichuan Yin-Yang Buffet Hotpot

Two Flavors in One Pot

Toward the end of the journey, a Sichuan-style yin-yang buffet hotpot is arranged, with one side spicy and the other rich and savory, offering more variety and ending the trip on a warm and lively note.
