WALK INTO SANTA CLAUS VILLAGE & RIDE A REINDEER SLEIGH

The Christmas story begins in Lapland. At Santa Claus Village, meet Santa Claus, cross the Arctic Circle and soak up the festive atmosphere of this magical winter destination. As a special highlight of our journey, we have specially arranged a traditional reindeer sleigh ride — one of the most memorable ways to experience the magic of Lapland. Climb aboard and let the reindeer gently pull you through the snowy forest, surrounded by the peaceful beauty of Lapland. It is a special Arctic experience that you can truly enjoy when you are here.

EXPERIENCE A GLASS IGLOO STAY

Spend a special night in a cosy glass igloo, surrounded by the peaceful beauty of Lapland's winter landscape. As evening falls, settle into your warm and comfortable room and look up through the glass roof at the sky above. With snow-covered scenery outside and the Arctic night all around, your stay becomes an experience to remember — and if the Northern Lights appear, you may even have the chance to watch them from the comfort of your own bed.

KING CRAB EXPERIENCE × KING CRAB LUNCH

In Kirkenes, the Arctic offers a dining experience unlike any ordinary meal. Your journey begins on a snowmobile, crossing the snowy landscape towards a local King Crab farm. After seeing these giant crabs up close, the adventure continues at the dining table, where freshly caught King Crab awaits. It is a unique way to discover one of the Arctic's most prized delicacies — from the frozen wilderness to your plate.

HUSKY SLEDDING × SNOWMOBILE ADVENTURE

In Saariselkä, you will have the chance to experience two of Lapland's most iconic winter activities — husky sledding and snowmobiling. Feel the excitement as the huskies race through the snow, pulling you along the snowy trail. Then, hop on a snowmobile and head deeper into the wilderness, passing through snow-covered forests and peaceful Arctic trails. From the sound of the huskies to the thrill of riding through the snow, enjoy an unforgettable Arctic adventure.

POLAR ICEBREAKER × ICE FLOATING EXPERIENCE

In Kemi, the frozen waters of the Gulf of Bothnia become the setting for a truly unforgettable Arctic adventure. Board a powerful polar icebreaker and watch as the ship cuts its way through the thick sea ice, opening a path across the frozen waters. Then comes the most unique part of the experience — put on a special floating suit and enter the icy sea. Floating safely in the cold waters, surrounded by endless ice and the peaceful Arctic landscape, you will experience Lapland from a completely different perspective.

NORDIC LOCAL CUISINE

As you travel across the Nordics, enjoy some of the region' s most iconic flavours along the way! From Norwegian salmon and Poronkäristys to Swedish meatballs, each meal adds another delicious highlight to your journey through Sweden, Finland and Norway.

PORONKÄRISTYS

A classic dish from Finnish Lapland, featuring tender reindeer meat served with creamy mashed potatoes and berry sauce. Savoury with a touch of fruity sweetness, it is a distinctive taste of northern Finland.
